Grandparents Day

We had the most fabulous day on Tuesday last when we travelled to the Church to honour our grandparents. It was a most enjoyable day for all who were there, and grandparents who were unable to attend were also remembered, honoured and acknowledged. The boys and girls from Courtenay National School really did themselves proud on the day, which was so very well coordinated by the exceptional staff of the school. Fr. Cussen and those who work in the Church also provided a warm welcome to us all and we are most grateful. Well done to all. A Huge thanks to our Parents Association who provided a warm welcome back at the school along with beautiful food and the perfect atmosphere. We will be putting pictures of the day up on the website and Eddie Guiry, who was at the church has put some lovely pictures in the Observer this week also, but for now, we have attached a few for you to browse at the end of the Newsletter this week. A huge thanks again to all who were involved. It was a day to remember.

Digital Citizenship Information Day
