Courtenay National School hosted a fantastic art exhibition on Tuesday, November 19th, showcasing the children's wonderful creations.

The framed masterpieces were proudly displayed in the school assembly hall, where families and friends gathered to admire the talented work of our young artists.

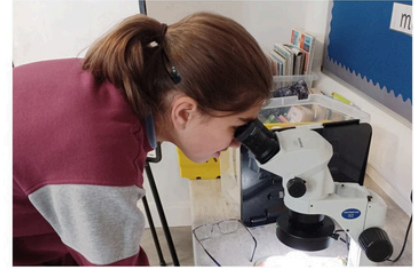

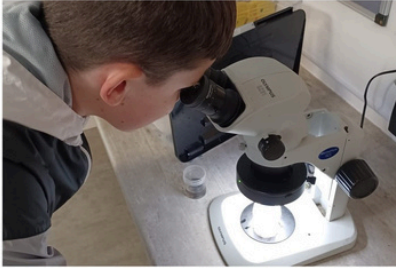

It was a thoroughly enjoyable evening, with the children beaming with pride as they shared their artwork.

Sincere thanks to Mrs. Gilliard for her hard work in planning and organizing such a memorable event!

5th class explore the River Arra with Geoff Hunt!

Field Trip with Geoff Hunt

On Monday 5th and 6th class explored the River Arra with Geoff Hunt.

The children loved the pond dipping and investigative exploration work with Geoff.

The children examined their finds under the microscope.

Courtenay Cúinne

Bhí sé ag cur sneachta Déardaoin.

Bhí sé an-fhuar. 

Bhí an craic againn, ag déanamh fir sneachta agus ag caitheamh snowballs!

Bhí leac oighear ar na bóithre.
