## Valentine's Day in Senior Infants

# A Fun-Filled Trip to Liskennett Equine Centre!

On Wednesday, some of our children enjoyed a fantastic trip to Liskennett Equine Centre, where they had great fun horse riding and engaging in hands-on interactions with the horses. They also learned about horse care, making the experience both exciting and educational. The trip helped build confidence, balance, and plenty of smiles! A huge thank you to the wonderful staff for making the day so special.

The collage features several photographs: two horses in a field, a group of people riding horses on a path, and a group of nine children standing in a line in front of a stable. The children are wearing various jackets, including a maroon one, a green one, and a camouflage one.
