A Fantastic Day at St. Ita's Hospital!

Music from Courtenay and Sharon Shannon at St. Ita's Hospital

A huge thank you to St. Ita's Hospital and the NCW Lions Club for the warm invitation to share music and joy with the patients.

The highlight of the day? Sharon Shannon joining the children and our musical múinteoirí to play a few tunes — “Shoe the Donkey”, “Terry Teehan's Polka” and “Johnny Was Born in a Mansion” never sounded better!

The children were treated to goodies and fantastic music from Sharon Shannon, the Murphy family from Abbeyfeale, and Trevor Sexton.

A heartwarming day filled with smiles, tunes, treats, and true community spirit!

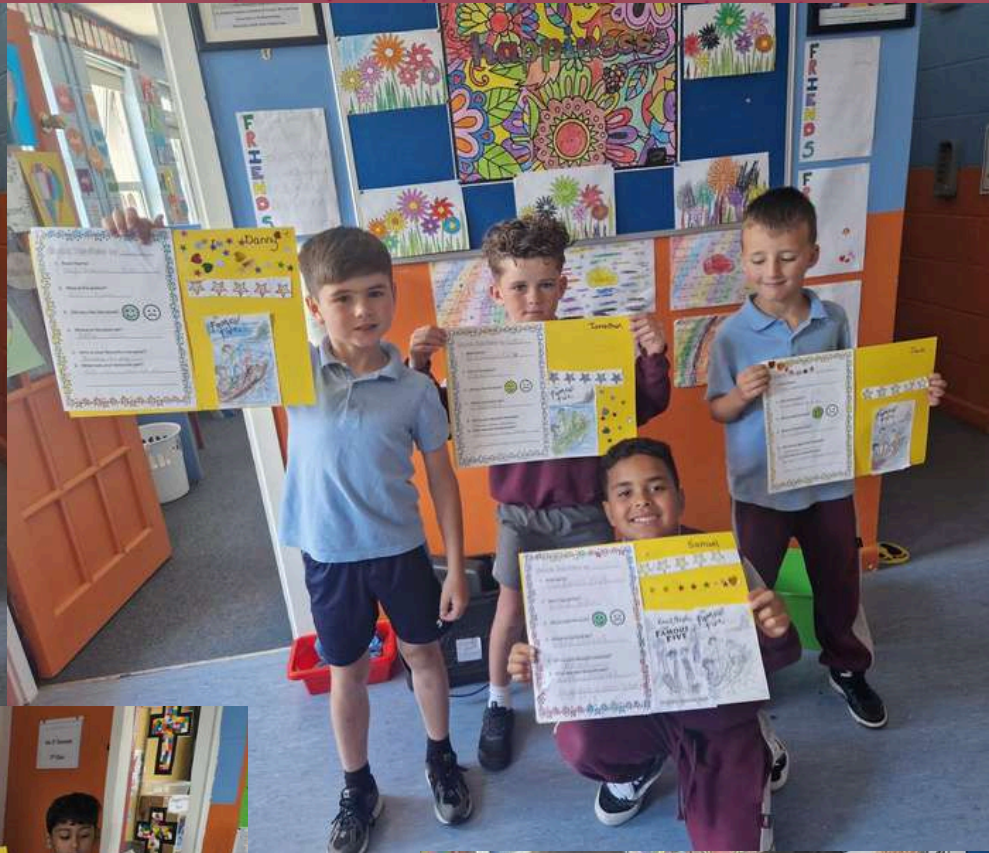

Bubbles, battles, and brainpower!

From the magical world of bubbles to testing their strength with arm wrestling, our children explored the science of push and pull, sparked curiosity, and had so much fun this week!

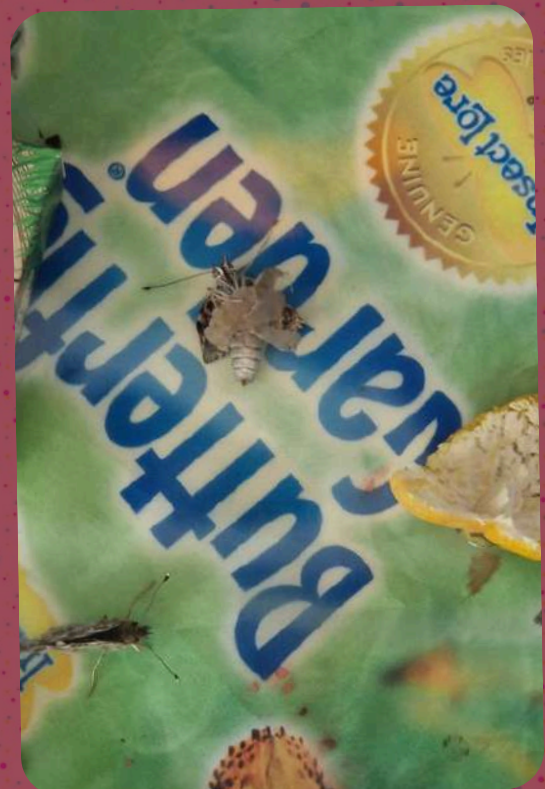

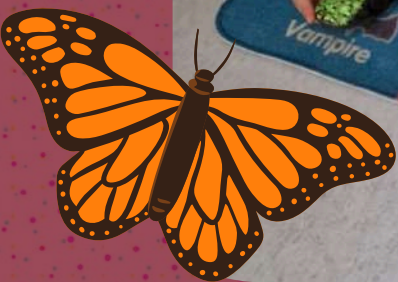

First Class completed fantastic book reviews of the "Famous Five Book"!

The Oak Room had a busy week 🐛🦋

They watched in wonder as their butterflies hatched from their cocoons! Well done to everyone in the Oak Room — what a fantastic science project full of learning and curiosity!

Congratulations to Daniel Gleeson, member of the winning Limerick Desmond Team who won the U12 All Ireland SFAI Interleague Bowl final last Sunday. 5th class celebrated Daniel's win in style!!

Cumann na mBunscoil Hurling

Our hurlers travelled to Raheenagh last Friday for a tough encounter. Raheenagh proved to be the stronger team, with their dominant first-half performance setting the tone and ultimately deciding the game.

Courtenay found their stride in the second half, showing great resilience and putting the opposition under pressure, but the gap was just too much to close in the end.

Well done to all our players and their dedicated trainers — and a special mention to Éimead, our spiritual hurling leader, who is already planning for next year!
