Mid-Term Break Monday 27th - Friday 31st October!

Happy Halloween

Maths Week in Courtenay

We had a very busy and exciting Maths Week in Courtenay NS, with lots of fun activities taking place across all classes. Children enjoyed maths trails, puzzles, games, problem-solving challenges, and plenty of hands-on activities that made maths fun in the classroom and around the school.

Mr. Devine / Engineer Devine, visited 4th Class to talk about civil engineering and to give them a hand with their upcoming STEM project. 6th Class created eye-catching posters and entertained everyone with their maths jokes, while Ms. Fitzgerald's class learned lots about number and shape. All classes took on the Courtenay Cadbury's Guess-Estimation Challenge with great excitement and that was only part of the fun!

Courtenay NS V's St. Mary's Abbeyfeale

Before we begin this amazing match both teams are doing some drills like: Defending, Passing and dribbling. Our goalie was doing drills with one of our coaches Mr. Nash, such as blocking and saving.

The whistle blew and the ball was thrown in. Eoghan Grealish and number 8 from St. Mary's jumped up for the ball. St. Mary's scored the first point. After some good play, Romeo shot and put the ball over the bar for an excellent point. After some pressure from St. Mary's Kefrane made an amazing save. During the match, Alan went down with an injury but thankfully he played on bravely. Abbeyfeale scored leaving Courtenay down one point. Alan blocked a great shot from St. Mary's. After a great pass from Jake, Jerry got the football and hit the back of the net leaving Abbeyfeale rattled.

The whistle blew at 12:20 marking half time.

At half time Courtenay players discussed their game plan. We tried our best but St. Mary's were better on the day. Unfortunately, Courtenay NS lost the match but we will be stronger next year!

How We Feel in 1st Class

1st Class have been learning about the Zones of Regulation and the different strategies we can use to regulate our emotions. We have learned that we all feel different things at different times, and that it is always okay to tell others how we feel.
