Well done to Emlyn,  
our full attender for  
November, and to  
Jamie and Ajay, our  
full attenders for  
December!  
Thanks Mrs Gilliard!

## Super Project Work in 2nd Class

2nd class have been busy exploring some of the coldest and most fascinating places on Earth, the Arctic, North Pole and the Antarctic, South Pole.

In their project work, 2nd class learned about the climates, the animals that live there, and how people survive in such icy conditions.

They investigated life at the North and South Poles, discovered amazing facts about penguins, polar bears and explorers and presented their learning in colourful projects.
