A big thank you to Kayden Dee's nana, Mary, who very kindly sent in these beautifully made St Brigid's crosses for our Junior Infants.

# Coding in 3rd Class

# STEM in action!

Our 4th class took learning beyond the classroom, walking around Newcastle West to identify areas in the town that could be improved. They then designed and created fantastic STEM projects based on their ideas.

A big thank you to Richard Collins, Chairperson of our school, who called in to view their impressive work 🌟

Watch this space, we're hoping local politicians will visit in the near future to discuss our suggested improvements with them!
