# Analog Devices Primary School Competition

Congratulations to our 6th Class STEM Team Darragh, Rossa and Karam who represented 6th Class and Courtenay NS at the Analog Devices Primary School Competition held at Limerick Racecourse. The boys demonstrated excellent skills in design, programming and engineering throughout the competition process. Their hard work, teamwork and creativity were clear to see on the day. They now progress to the final, which will take place on April 18th. Roll on the final — best of luck, boys. Courtenay Abú!

Be sure to check out our Instagram page for lots more photos and videos from these activities.

# Celebrating National Tree Week at Courtenay NS!

A big thank you to Councillor Michael Collins who kindly donated 12 tree saplings to Courtenay NS as part of National Tree Week.

BOM Chairperson Richard Collins, 5th Class and Stephen accepted the trees on behalf of the whole school community.

We look forward to planting them and watching them grow!
