Courtenay Spooktacular!

Calling all witches, wizards, ghosts and superheroes!

We encourage all our children and staff to get dressed up for our Hallowe'en Fancy Dress Day and Spooktacular Parade Walk next Friday, 23rd October.

Please ensure costumes are suitable for school, with no sharp objects or toy weapons.

We look forward to a spooktacular day of fun!

Courtenay Cúinne

Gaeilge i Scoil Ó Curnáin

Nath na Seachtaine

Slán agus go raibh maith agat!

Goodbye and thank you!

Sarsfield Cup Gaelic Football Trials

Well done to Harry, Patrick, Conor and Romeo from 6th Class, pictured with Mr Cunningham, who proudly represented Courtenay NS at the Sarsfield Cup trials in Mick Neville Park, Rathkeale, last Tuesday.

Congratulations to Romeo and Harry, who have progressed to the next round of trials! We are super proud of all four boys, who are fantastic sporting ambassadors for Courtenay.

Brilliant Bear Projects in 4th Class!

Our 4th Class pupils have been busy researching and creating fantastic projects all about bears! Wonderful creativity, research skills and hard work on display.

Shhh... They're Getting Ready for Hibernation!

Some of our Junior Infants were busy this week helping the hedgehogs build cosy winter nests, learning all about hibernation and autumn colours along the way!

Maths Week Fun at Courtenay NS!

Maths Week has been full of fun, creativity and hands-on learning across the school!

Our Spooktacular Estimation Station in the hall has been a big hit! Children have been estimating the number of petrifying pasta pieces in a jar, the weight of a pumpkin and the length of a skeleton in centimetres!

A big thank you to Miss Maher for organising this fantastic challenge.

The winners with the closest guesses will be announced next week!

Check out our Instagram page for more Maths Week fun, with plenty more to come next week!

Maths Week - Learning Life Skills!

Miss Fitzgibbon's class put their maths and life skills into practice with a trip to the shops! From shopping and paying at the self-checkout to remembering their receipts, the children enjoyed some fantastic real-life learning.

Lava Lamp Magic in Senior Infants!

Our Senior Infants had great fun creating their own lava lamps and discovering that oil and water don't mix! Lots of excitement and hands-on science learning!
